

Digging for Gold Appointment Templates

Opportunity nuggets from Buckeye Dental Productions

www.BuckeyeDentalProductions.com

Sample Templates for End of Clinical Notes:

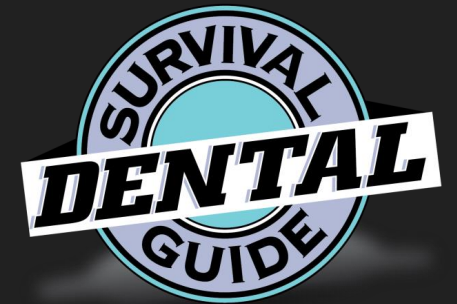

By using these templates, anyone in your practice can clearly understand and schedule a patient's next appointments.

NRV: (next restorative visit) What, by when and how many units and preferred provider
Sample NRV: Crown #2, within 2 weeks, 90 minutes, Dr. H

NHV: (next hygiene visit) What, by when and how many units and preferred provider
Sample NHV: Exam, Prophy, 4 BW's, 6 months, 60 minutes with Sarah

FA: (financial arrangements) WHAT was discussed, agreed upon and end results
Sample FA: Patient understands co-pay of \$540 due at next appointment. Signed FA in chart.

Use this as a guide to customize to your practice specifics!
