

CROSS TRAINING ASSIGNMENT

GOAL: To Be Cross Trained

LOGISTICS: Answer the following questions..

Per the list on the previous page, are you cross trained for this practice?
If not, what skills do you still need to learn and by what goal date will you learn them?

Do you think your team could be better crossed trained to help other departments?
If so, how?

What do you think it means for the business if all employees could do all of the same skills except those that require a license?

Date of completion:

Reviewed with doctor/manager:

Initial after satisfactory completion:
