

THERE IS ALWAYS SOMETHING TO DO ASSIGNMENT

GOAL: To understand the concept of, "There Is Always Something To Do"

LOGISTICS: Create three categories of lists of things to do when the patient schedule is slow.

What things can be cleaned and/or organized during down time?

What things can be done to fill the schedule during down time?

What services/skills training can be worked on during down time?

Date of completion:

Reviewed with doctor/manager:

Initial after satisfactory completion:
